\* Top-end price change on the week \*\* One troy oz = 31.1035 grammes For aluminium can prices, see WRAP Materials Pricing Report on the following pages.

● PRICE INFORMATION: MRW quotations are geared to merchant transactions and assume delivery to the works of the purchaser in the scrap industry. They are not based on consumer quotations nor are they intended to reflect consumer buying prices. The range does not account for premium, payments and aims to provide an indication of value. These guide prices may have changed since MRW went to press.
